Fourth of July Parade / 50-50 / Misc. Fundraising Ideas	Deb Steele	<ul style="list-style-type: none"> Athletes will be after the band in the parade. Looking for large Falcon presence. Got quotes from three different places on throws for the parade. Football, soccer and golf balls 100 throw minimum for each ball. \$1.60 to \$1.75 plus or minus varied set up fees. 100 minimum per ball as well. Do a water bottle instead of the throws? Cannot have any literature left behind as trash per parade rules. Will we do candy as well? Can we put Red Rally on the Falcon "A" water bottles? T-shirts, bracelets could also be an option. Looking into options for reusable water bottles and getting a pallet of water. Allendale Falcon can cozies? Deb has raffle license filled out for all home events. We could add on to the current application for 50/50 raffles during the home events. Sport will do the 50/50 with the sport getting half. Can we do something to promote winter and spring sports as well? T shirt will all the sports listed on them. Concert type event for the winter activities? Exhibition match – staff vs. student's event? Dodgeball tournament? Alumni teams vs. current? Snowcoming? Chilli cookoff? Think about options over the summer with planning for the events happening in the fall. Boosters have the option to do the raffle if a sport does not. 	<ul style="list-style-type: none"> Getting quotes for a number of options on items to hand out during parade. Trailer available from the Tebos family. We will have a fourth of July meeting committee after the May meeting. The parade represents all sports not just fall. Deb Steele will oversee 50/50 raffle activity. Red Rally committee to review the options for inclusion and community creation within the school. Might be able to leverage current summer sign up activities to coordinate with other school organizations. Need someone with a large red, white or black vehicle and athletes to attend. Whatever we give them in July will need to last until fall for marketing purposes. Parents would have to do the 50/50. Need to be 18 or older per state regulations. For sports not interested in the 50/50 we could redraw from the pool to give another organization/sport the chance. Selling 50/50 tickets would be at volleyball, football, basketball and wrestling events.
